In 2016 South Cambridge District Council granted outline planning permission for the Wing masterplan, prepared by Pollard Thomas Edwards (PTE) on behalf of Marshall, the land owners.

In June 2017, following a competitive process, Marshall selected house builder Hill as a Joint Venture partner to design and deliver Phase 1 of Wing.

Before starting Phase 1 the development team are preparing a Design Code to control the quality of the design of the masterplan.

The development team would like to invite you to find out more and comment on the Design Code at a public exhibition on December 13th at Fen Ditton Recreation Ground Pavilion, Church Street.
